

Hiab Moffett Truck-Mounted Forklifts

Beverage Distribution

The Concept

Ready in Less than One Minute

Truck-mounted Forklifts are a familiar sight on the back of beverage trucks: Light enough to be carried on almost any truck or trailer type they are dismantled / mounted in less than one minute, ready to handle all types of beverage products.

Improved Product Protection

Eliminating inefficient and dangerous manual handling, the Truck-mounted Forklift helps reduce product damage. No matter how confined the area of operation, the load is moved safely and quickly.

More Deliveries in Less Time

The Truck-mounted Forklift does not require any load space and grants full independence from local loading/offloading equipment. It is easily and quickly mounted/dismounted by the driver on site and eliminates waiting times.

Great Customer Service

Narrow passageways, difficult access areas and confined spaces are frequently encountered when delivering beverages. With Hiab Moffett you are able to deliver exactly where required by the customer.

Why Hiab Moffett?

Hiab Moffett Truck-mounted Forklifts are utilised by breweries, bottlers and beverage suppliers worldwide. Unrivalled quality, outstanding performance and more than 40 years of experience and ongoing product development make Hiab Moffett the preferred choice for the movement of beverage products.

You can trust our reputation and references, reflected in a long list of convinced Hiab Moffett users - the big names in beverage production/handling as well as small/medium distributors.

Hiab Moffett Truck-mounted Forklifts - Mastering Beverage Collection & Delivery

From source to destination, the Hiab Moffett Truck-mounted Forklift handles beverage pallets, crates, cans and bottles safely and efficiently. It eliminates manual handling, minimises the need for offloading equipment / personnel and allows efficient one-side offloading in the most confined areas.

Safety

- > Maximum Visibility 360 degrees
- > Operator positioned entirely within machine perimeter
- > Low centre of gravity for maximum machine stability
- > Stabilizers for added stability when loading in front of the wheels
- > Flashing Beacon, Work & Road Lights, Reverse Bleeper and interlocking seat belt

Features

- > Lift capacity from 1500 kg to 3500 kg
- > Water cooled Kubota engine for high performance and reliability
- > Hydrostatic drive and brake system with high torque wheel motors
- > Available with a wide range of attachments:
 - Fork options
 - Fork positioner
 - Retractable wheelarms
- > RKM Filter System

Performance

- > Low unladen weight
- > Compact and highly manoeuvrable
- > Excellent gradeability
- > Smooth Driving
- > Easy to use and operator friendly
- > One-side off/onloading
- > Long service intervals

Optimised fleet efficiency through elimination of stand-by times and manual handling, delivering precisely where and when needed.

Integrating within Your Fleet

Hiab Moffett Truck-mounted Forklifts seamlessly integrate with your existing fleet. We offer a range of mounting kit systems to match different truck and trailer types. Use the Truck-mounted Forklift(s) on one or on several trucks, and if not needed, the Hiab Moffett can be used for any work that needs to be done on the yard or in the depot.

Load Handling with a Competitive Edge

- > Unbeatable versatility
- > No more waiting time on site
- > Negotiate within confined areas and busy sites
- > Eliminate Manual Handling
- > Collection at any time

Hiab Moffett Truck-mounted Forklifts

Delivering Excellence

Engineering expertise and leading manufacturing technology make the Hiab Moffett the most reliable Truck-mounted Forklift. We guarantee quality and durability you can rely on every day.
